

Elderly Instruments
presents a monthly
BLUEGRASS JAM!

at Elderly Instruments

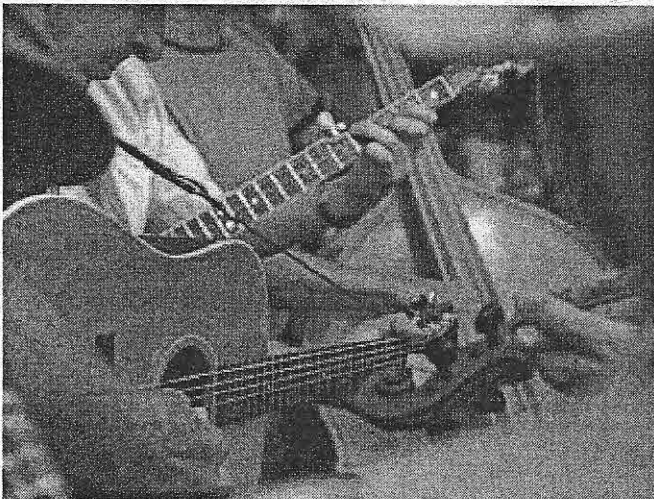

the THIRD THURSDAY of EVERY MONTH

7 pm

...and (of course) it's FREE!!

We're thrilled to join forces with our old friends at the **Charlotte Bluegrass Festival** and the folks at the **TriState Bluegrass Festivals** in **Kendallville, IN** in sponsoring a monthly jam session, **the third Thursday of every month!**

If you play guitar, banjo, fiddle, mandolin, Dobro, bass - or really anything you think you can play bluegrass on - you're invited to join in. *Even if you know only a few songs or even a few chords - or even if you're a rank beginner and just interested in getting a taste of a bluegrass session - that's what these get-togethers are for. Bring a tune, sing a song, pick some strings and have some fun!*
