

2018 BLUEGRASS JAM AT THE FAIR-SATURDAY AUGUST 11, 2018

In the past, the West Michigan Bluegrass Music Association has held a Bluegrass music evening on Thursday during the annual Kent County Youth Fair in August of each year. For 2018, the Fair has decided to hire a more mainstream country artist for their Thursday night entertainment.

The Fair still wants to have Bluegrass involved in their entertainment for this year. They would like a Bluegrass Jam Session during the day on **Saturday, August 11**. It would run from **1:00-4:00pm**. They would like for us to be in the grove of trees near the food vendor's area. On that Saturday afternoon there will be a large crowd of people there so we should have a good audience. As a jammer, you do not need to do the full three hours. If you can jam for even a couple of hours, that would be great.

To help encourage participation, the Fair has offered the below to those that take part in the jam session:

A modest stipend for those who participate

A free parking pass to the Fair for those who participate

I am still working out additional details, but I hope that you will put **August 11** on your calendar and help to promote Bluegrass music to a multitude of people at the Fair.

If you have any questions, just let me know.

Thank you.
