

2019 BLUEGRASS JAM AT THE FAIR

SATURDAY AUGUST 10, 2019

The Kent County Fair wishes to continue to have Bluegrass as part of their entertainment. They would like a Bluegrass Jam Session during the day on **Saturday, August 10.**

This would run from **1:00-4:00 p.m.**, and would be held in the grove of trees near the food vendor area.

On that Saturday, they're anticipating a large crowd of people at the Fair, so there would be a good audience!

To help encourage participation, those who take part in the jam session will receive:

- A modest stipend for those who participate
- A free parking pass to the Fair for those who participate

Please let **Dave Simmonds** know if you are interested in participating in this jam, and please put **August 10** on your calendar and help to promote Bluegrass music to a multitude of people at the Fair.

You may contact Dave at any time to advise that you are going to participate in the jam at:
